

# HAIR EXTENSIONS

## *purchase pricing*

Long, voluminous locks will always be in style, but some of us need hair extensions to help us get that added length and volume we want.

Extensions are a great option for all brides. Not only do they add length and/or volume, but they'll likely hold your hairstyle longer than your natural hair will.

You're welcome to use hair extensions you already own for your wedding hairstyle, but if you need our expertise, we're happy to help.

We offer two different types of extensions, Halo Couture, and Custom Clip-in. With a complimentary consultation before your hair trial, we can discuss your desired wedding hairstyle, and which hair extensions will be best to achieve that style. We'll also match your hair color and order your Halo or get started on your Custom Clip-ins. Custom coloring and cutting is included with our Custom Clip-in prices.

# hair extension pricing

Payment for hair extensions is due in-full at the time of purchase and is non-refundable. Hair extensions are non-returnable. Balayage and Rooted extensions acquire an additional fee. This varies depending on the type of hair extensions. We're happy to give you a quote during your consultation or upon request. Prices listed do not include tax.
