Nancy and her team did an incredible job for our wedding. We had a large group consisting of 10 bridesmaids, MOB, MOG and me and everything ran smoothly according to the schedule. My friends were so impressed by the first person who got make up done that many requested this style for themselves! Nancy was super helpful for touch ups throughout the day and dealt with my anxiety over getting my look just right. I highly recommend her team especially if you have a large group. In addition, during my hair trial, she did 3 different looks which was super helpful for a bride who is indecisive. Thank you Nancy!

Nancy and her team are absolutely wonderful! I had booked her over a year before my wedding - her portfolio is simply beautiful and her work is amazing. I worked with her when I had to postpone my wedding, and month leading up to our newly rescheduled wedding date. She is so organized, personable, and takes COVID very seriously. Her and her team fully prepared themselves before performing services on my bridal party, and made sure to provide the safest services to us. Nancy listened to how I envision myself to look like on my wedding day, while adding in her own natural touch. My entire bridal party looked amazing! I didn't even recognize my mother - that's how beautiful she looked. Book her and her team as soon as you can - all of the ladies that work with her are sweethearts, and will make sure you and your bridal party look beautiful, with a natural - not overly done - look!

Nancy and her team were the best to work with! Not only did I absolutely LOVE my hair and make up on my wedding day but Nancy was amazing to work with from start to finish. Nancy did the hair and make up for my sisters wedding in 2019 and I loved it so much I hired her back for my own wedding this year. Not only did they stay on or ahead of schedule (with 13 people receiving services!!) but every single person got exactly the style they wanted and felt like themselves! Nancy was extremely responsive and there to answer any and all questions I had leading up to the wedding day. I would HIGHLY recommend Nancy Caroline Beauty to anyone getting married!

Nancy's team of makeup artists and hairstylists were timely and professional. They made adjustments when needed and were flexible with my party of 12 or so people. My bridesmaids were so happy with their looks and they made me feel like a true bride! We highly recommend Nancy's team to any bride!!
